- House Team t-Shirt or white t-shirt
- Black Jogging bottoms, leggings or shorts
- Trainers
- School jumper

Things your child needs to bring

- Do not bring a bulky backpack as we cannot use the cloakrooms to store items.
- You will not be able to bring a pencil case from home. All your equipment will be provided.
- Bring a waterproof bag that can hold your home learning books (A4 size) and your reading book, which can fit on the back of your chair.
- You may bring a labelled water bottle from home.

Attendance and Punctuality

- It is vital that your child comes to school every day and on time.
- Soft start begins at **8:35 am**.
- The register will close at **8.50 am**.
- Please ensure you are collecting your children on time at **3.30 pm**.

Reading

- Children in Year 3 will be expected to read for at least **15-20 minutes** every day. This should be a colour-banded book which is matched to their reading assessments.
- An adult needs to sign their child's reading record every night to show that they have read to an adult.
- Children's book bands are determined upon performance in class and on assessments. If children are reading below age related expectations, they may be reading a phonetically decodable book.

Home Learning

- Reading – Banded Books (15-20 minutes per day)
- Home Learning Challenges all three to be completed by the last Monday of the half term.
- Homework out on Tuesday handed in on Monday.
- Compulsory Maths – activities to complete in red homework book each week.
- Spellings – given out every Wednesday for a test on Tuesday.

Year 5 Topic Home Learning Autumn 1

Please complete all three challenges Monday 16th October. Learning is to be submitted on google classroom or in your red home learning.

Living Things

Match the word to the correct definition.

Using the definitions, what you know and the key vocabulary, describe the characteristics for mammal, birds, reptiles, fish and amphibians.

Word	Definition
backbone	An external supporting structure, such as the shell of a crustacean.
classify	The row of bones that runs along the centre of the back—spine.
exoskeleton	A warm-blooded animal with fur or hair on its skin and a skeleton inside its body. The mothers produce milk to feed their babies.
invertebrate	The inner framework of bones and cartilage in vertebrate animals. This supports the body and protect softer body parts.
mammal	Animals with backbones as part of an internal skeleton .
skeleton	Animals that do not have an internal skeleton.
vertebrate	Assigning an item to a group based on a common characteristics.

Rivers and Mountains

Using the word bank, can you label the mountain's key features?

Base snow line
Summit mountain range
Ridge plateau
Face tree line
Slope

Copy/draw the picture of the mountain and river. Use your knowledge of mountains and rivers to label the different features.

Using the key words:

River source
Tributaries
Waterfall
Main river
River mouth

Explain the river system in your own words.

Super Power of Looking

You are going to analyse the piece of art and discuss the points below with your parent. You can submit answers on Google classroom. Also write what your parent has said.

This painting is called '[The Adoration of the Kings](#)' (1510-1515).

1. Are you interested or not interested in this painting? Why?
2. Describe the figures and what is going on in the background?
 3. What do you think is going on here?
 4. Who or what does the artist want us to look at first?

In addition please make sure your children are checking Google classrooms daily as learning and any notices will be put on there also.

Making appointments to see your child's teacher

- If you need to discuss something brief with us please come and speak to us when you collect your child at the end of the day. If you are going to need a longer amount of time, then please arrange an appointment via the school office or with the teacher at collection time.
- Appointments with a class teacher in a morning need to be before 8:30am. Teachers are supervising pupils as of 8:35am.
- Updating you on your children's progress – we will do this through our parents meeting and reports. If you have concerns then please do come and discuss with us.

After School Clubs

- If a space is available, children will be given their 1st choice club then removed from any additional preferences
- Waiting lists will be created if a club is over-subscribed and additional spaces if more adults are able to support. You will be contacted from the school office, if a place becomes available.
- Invited clubs – you will receive a letter from a class teacher prior to clubs becoming available. This is a free club and will run for 8 weeks or more dependent on the teacher.

Trips

- A parent calendar of key dates will be released for each term
- Most trips will be **linked to areas of the curriculum** e.g. Science, History, Geography
- There will also be **local trips** eg. Library, Religious buildings, local area walks
- Curriculum trips will usually **incur a fee**. We try to keep the costs down and will usually use public transport to help with this.
- **Parent volunteers** are encouraged however, we can only take a limited number of adults on each trip. Names will be on a 1st come basis but if we get a large number of parent requests, we will pick name at random. In most instances, we will try to take different parents each time.
