

Key Facts

- We live in Wembley which is part of Greater London.
- London is located in the United Kingdom which is part of Europe on the planet Earth.
- Wembley has some key landmarks which can be seen from above (a bird's eye view) such as Wembley Stadium, King Edward VII park, London Designer Outlet and tube stations.
- North, South, East and West can be found in relation to each other.
- Compass directions (NSE and W) can be used to move round and understand a map or location.
- Different elements of a map can be represented with symbols and understood using a key.
- Landmarks can be used to help us find our way around an area.
- Maps can show areas in different scales.

Headteacher: Mr Robert Fenton

Geography

Year 2

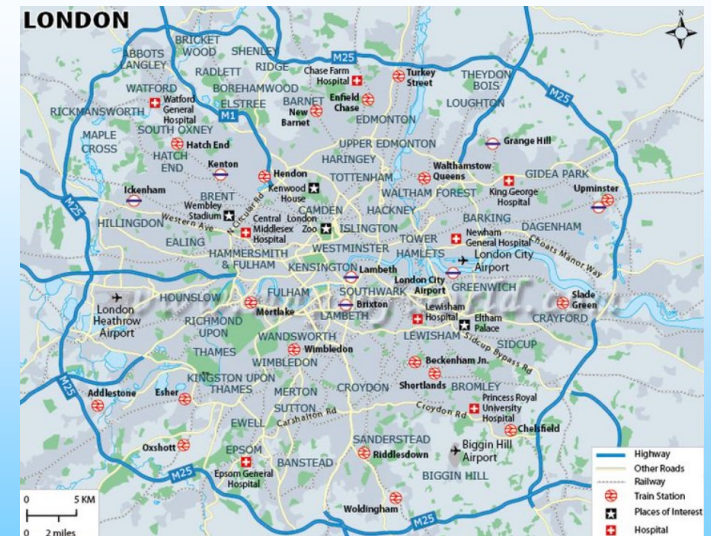

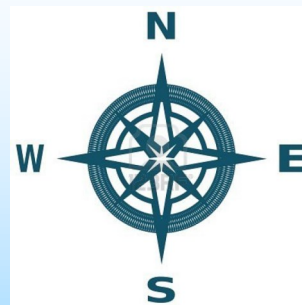

Spring 2

Map Makers

Vocabulary

Word	Definition
Atlas	A book of maps, tables, or charts.
