Before you make your application

| | | |
|---|------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Are your preferences realistic? Consider how likely it is that your child will be offered a place at your preferred schools. | Read the admissions criteria for each school and look to see which criteria apply to your child. The admissions criteria for Brent schools are listed on pages 17 to 32. |
| 2 | Do you live close enough to get a place? Find out your home to school distance. Compare with cut-off distances from last year. | Find the distance to your preferred schools using the Direct Gov schools finder (www.gov.uk/school-performance-tables) The distance of the last child offered a place at Brent schools from last year is on page 16. Remember that although this information can be used to give you an idea of how likely it is that you will be offered a place, the 'last distance' will change every year. We can never guarantee any child will be offered a place at any school. |
| 3 | Visit schools | Open event details for Brent schools are available on page 6. |
| 4 | Read Ofsted reports | You can view reports at www.ofsted.gov.uk Brent has many 'Good' and 'Outstanding' schools. |
| 5 | How will your child travel to school? | A long journey to school on public transport may not be the best choice for a child. |
| 6 | Talk to your child and other parents | Remember that the right school for your friend's child may not be the right school for your child. Don't judge a school based on what others say – visit the school and see for yourself. |

Myth busters – get the facts!

It is easy to make assumptions about how school admissions works. Here are some of the common myths and misunderstandings, as well as the facts.

| Myth | The facts |
|---------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| My child has a right to a place at one of my preferred schools. | The local authority must offer your child a place at the highest preference school they qualify for. If your child does not qualify for any of your preferred schools (e.g. because your preferences were unrealistic), they will normally be allocated a place at the nearest school to your home with a vacancy. |
| I have an older child already at the school so I do not need to apply. | Everyone must apply for their child even if they have a brother or sister already at the school. Most schools give priority to siblings, but if you don't apply you could miss out on a place. |
| Listing one school will mean that you will have to offer me that school. | Listing only one school does not increase your child's chances of being offered a place. If your child does not qualify for that school, then they will normally be allocated a place at the nearest school to your home with a vacancy. |
| Listing the same school six times will improve my chances of being offered a place. | Your child can only be considered once for a school and any duplicated preferences will be deleted. |
| I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place. | Although the information listed on page 16 can give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We cannot guarantee any child will be offered a place at any school. |
| Children in my road go to the school so my child will too. | The number of pupils offered under each criterion at each school can change every year, so just because you know pupils living near you go to a certain school, it does not mean that your child will be offered a place there. |
| If I apply to a school in another borough, their residents will have priority over me. | An admissions authority cannot give preference to its own residents and published admissions criteria cannot include the borough of residence. Brent does not discriminate between applicants who live in the borough and those who do not. |
| It does not matter if my form is late. | If you apply after 31 October 2023, we will look at your application after all those who applied on time and it is very unlikely that you will be offered one of your preferred schools. |
| I can only apply for Brent schools. | You can apply for both Brent and out of borough schools by listing them on the Brent application form. |

Apply for your child's school place online

eadmissions.org.uk

Applying online for a school place is quick and easy. Follow the steps below and you are ready to start your child's online application.

- Each screen will explain what you need to do; there are guidance notes on the left hand side of the screen to help you.
- You can select any text that is underlined (usually a question/section of the form that needs to be completed) and this will open in a new window with an explanation of what is required.

Step 1: Getting started

- Before you start your online application, you will need to do some research.
- See the authority's website for details about how applications are processed.
- Visit schools.
- Check school websites.
- Read the admissions criteria for the schools you are interested in.
- Check how places were offered in previous years.
- You should check transport policies for local authorities (outside London).

Step 2: What to do if this is the first time you are applying online using eAdmissions

- If you have used the eAdmissions system before to apply for a school place for any of your children you do not need to register again. Instead please go to Step 3.
- If this is the first time you are using the eAdmissions website you must register to apply online.
- You will need an email address to register.
- If you already have an email address you should set your spam/junk mail filter to 'Standard' so that emails from eAdmissions go straight to your inbox.

You should check your spam/junk email folder now and then to make sure that messages from the eAdmissions website are not sent there by mistake.

- You can also sign up to get notifications during the admissions process either by text message or by downloading the 'Parent Comms' mobile App.
- It is important that you register well before the deadline, in case there are any problems making your application. The closing date is: 31 October 2023 for Secondary and 14/19 (Studio Schools and UTCs) applications
- Register yourself on the eAdmissions website.
- You will then be asked to create your own password.
- We will send you an email with your username and instructions on how to validate your email address.
- The email will also contain a link which will take you to the eAdmissions login page to start your application.
- Please keep your username and password safe as you will need them to login and apply for any other children you have, and to see the outcome of your application on 1 March 2024.

Step 3: What to do if you have applied before using eAdmissions or you have just registered and received your user name

- On the home page select 'Return to an existing account' and enter your username and password.
- If you have forgotten your username or password we can re-send them to you when you select the 'Forgotten your user name or password?' link.
- We will send you an email to the email address you used when you first registered (please check your spam/junk folder as it may have gone there).
- Once you login the page with your personal details is displayed. **You must check if any of your details have changed and update them straight away.** If your details are correct tick the mandatory box to confirm that your details are correct.

- You will need to read and agree the Privacy Policy by ticking the box.
- Then select the 'Save and continue' button to move on to the application process.

Step 4: Adding your child's details

- The next page is your home page called 'My school admissions'. If you can see your child's name on your 'My school admissions' page, select the 'Start new application' button below the child's name. This button will only be available for children whose date of birth falls within a relevant age range. Check existing details and select the 'Next' button.
- If your child's name is not listed, select the 'Start a new application for a child that is not listed below' button. Enter the details requested about the child you are making the application for on the 'Child details' page and select the 'Next' button.

Please remember

- Council tax account number: Brent Council ask you to provide this information for the address where your child lives.
- Child's current school: Please select the school from the drop down list. Only type the name of the school in the box if your child is at a nursery school or you cannot see the current school name listed.
- Twins or triplets: If you have twins or triplets you must make an application for each child and tick the multiple birth box.

Step 5: Adding school preferences

- Add your preferences in the order you prefer them. You can select up to six schools.
- Make sure you include the details of any brothers or sisters who will be attending one of the schools or linked schools you have applied for. If you do not tell us, you may lose out on the sibling criterion.
- Please be aware that not all schools have a medical or social criteria, please check before selecting your schools.
- If the schools you have selected allow medical or social criteria and you would like your child to be considered under this criteria you must tick the relevant box and attach supporting evidence. You

can attach documents once you have submitted your application. **If you do not provide the evidence to support your application, your request cannot be considered under that criterion.**

- Some schools ask you to fill in extra forms called supplementary information forms (SIF). If you do not fill in these forms and/or send them direct to the relevant school, you risk your chance of getting a place at these schools.
- It is your responsibility to check that your online application is fully completed and that you have entered all details correctly. If you do not tick certain boxes or enter relevant information (for example the sibling box) your application will not be considered under that criterion.
- Each time you fill in the information on a page, make sure that you select 'Next' button or the information will not be registered.

Step 6: Submitting your application

- You can make changes to your online application up until the closing date. Each time you make a change you must resubmit your application.
- Select the 'Submit application' button on the last page.
- After you have submitted your application you will receive an email confirming details of your online application. The email will list an application reference number similar to this: 304-2024-09-E-654321.
- If you do not receive a number it means your application was not submitted successfully and you must login and select the 'Submit application' button again.
- If you have made changes to your details or your child's details, you will have to resubmit your application. Check the 'My school admissions' page and select resubmit application for your most recent changes to be recorded.

Step 7: Attaching documents

Many local authorities need you to send them information to support your application. You can find out what each local authority needs by reading their information booklet about applying for school places. Select 'Local Authority details' button on the left hand side bar. Documents you may need to attach:

- Confirmation of, your child's address and their date of birth.
- Information to support your application such as doctors letters if you have applied under the medical criterion.
- Information to confirm your child was looked after or previously looked after.
- Information to confirm that you are a member of the UK Services or a crown servant (see page 13).

Important information

If you have ticked any of the categories above and do not provide evidence to show this, the local authority is unlikely to take account of this when making allocations.

What happens next?

- If you submitted your application by the closing date, you will be sent the outcome of your application during the evening of the published national offer day.
- You should respond within 14 days. To accept or decline your offer you should log back in to your eAdmissions account and select the 'View outcome of application and respond' button.

Receipt details

Keep a record of your application reference number as you may need to refer to this at a later date.

How applications are considered

- All secondary schools in Brent are their own admission authority and admission decisions are made by the Governing Board or the academy trust according to their admission arrangements.
- The oversubscription criteria are used to determine the order in which offers are made and will be used if more applications are received for any school than there are places available.
- Children with an Education, Health and Care Plan which names a specific school will be admitted to that school. The oversubscription criteria are then applied to all other children.
- If a school receives fewer applications than places available, all children will be offered, where the school is the highest available preference.
- A summary of admission arrangements and detailed information for each school is available on pages 17 to 32. The full admission policies are available online at **www.brent.gov.uk/admissionarrangements**.
- All schools operate a tie break to distinguish between students in the same criteria with equal priority. Please check each school's full admission arrangements for details.

Your child's address

- The address used must be the child's permanent home address on 31 October 2023.
- Do not list an address of a relative or someone who provides temporary care for your child, a business address, a childminder's address or any address other than the child's permanent home address.
- If the family own a property but are living at and apply from a different address, the council will assume that the second address is temporary and that the property that you own is where the child ordinarily lives.

Proof of address

- We do not require proof of address to be sent in with your application.
- Please supply your council tax reference number on the application (e.g. from your bill). If you don't pay council tax directly, please leave this question blank.
- Brent Council will check internal council databases in order to verify your address.
- Where it is not possible to verify your address or you have recently moved, we will write to you asking for two proofs of address.

Children living at two addresses

- An application can only be processed from one address.
- The application should include the address the child normally lives at for the majority of the school week.
- If a child resides equally between two addresses, it is the parents' responsibility to agree between themselves which address will be used. One application should be submitted using the address agreed by both parents.

Change of address

- We can only accept changes of address after you have moved. We will not process your application from an intended future address.
- If you move address prior to the closing date (31 October 2023) you should update your address online and resubmit your application. If the closing date has passed, you must tell the council straight away by emailing school.admissions@brent.gov.uk.
- You must supply evidence of your change of address.
- Evidence must be received on or before 9 December 2023 in order for your new address to be used when processing your application and calculating home to school distances.
- If we receive evidence of your change of address after 9 December 2023, we will not be able to

update your home to school distances until after 1 March 2024 (national offer day).

Fraudulent applications

- Brent Council takes any attempt to obtain a school place through fraudulent means very seriously.
- We will verify addresses to ensure that places are allocated appropriately and fairly.
- Any address proof or supporting documentation which is false or deliberately misleading may lead to offers being withdrawn.
- Stringent checks will be carried out to ensure applications are not fraudulent.
- Home visits may be carried out to verify addresses.

Children with special needs

- If your child has an Education, Health and Care Plan (EHCP), please do not complete an application.
- You should contact Brent Special Educational Needs Assessment Service (SENAS) on 020 8937 3229 or sen.assessments@brent.gov.uk who will manage your child's transition to secondary school.

Exceptional social/medical circumstances

- Some schools give higher priority to children with social or medical needs, even if they do not have an Education, Health and Care Plan (EHCP).
- If you state a preference for a particular school because of the medical, social or special educational needs of your child you must demonstrate how only this school meets your child's special circumstances.
- To be considered on this basis you must submit independent, professional evidence which sets out the particular reasons why the school is the most suitable and the difficulties that could be caused if your child has to attend another school.
- Your evidence should be submitted directly to the school and attached to your online application. It will normally be in the form of a report from a suitably qualified, independent professional like a doctor.
- Evidence should be submitted by 31 October 2023 (the closing date for on time applications). Evidence submitted after this date may not be considered until the second or subsequent round of offers.
- See individual schools' oversubscription criteria for further information (pages 17 to 32).

Looked after and previously looked after children

- If you are completing the application for a looked after child or a child who was previously looked after (including adopted from state care outside England), please indicate this on the application.
- Applicants must name the council who looks after the child and provide a letter from the social worker confirming that the child is in care.
- Previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a child arrangements or special guardianship order, or who were adopted from state care abroad.
- If the child was adopted immediately after being in care, please provide a copy of the child arrangements order, special guardianship order or proof of adoption from your child's home authority.

All-Through schools

- Ark Academy and Preston Manor are "All-Through" schools which educate children aged between four and 18. Primary school students in Year 6 continue directly into the secondary school, with a guaranteed place in Year 7.
- Ark Academy admits 180 students to Year 7 in 2024 of whom 60 may be students progressing from Year 6 within the school. Similarly Preston Manor School admits 252 students to Year 7 in 2023 of whom 60 may be students progressing from Year 6 within the school.
- If your child currently attends Year 6 at Ark Academy or Preston Manor School
 - If you want to stay at Ark Academy/Preston Manor School for Year 7 and you are not interested in any other schools you will be offered a place automatically. You do not need to apply.
 - If you wish to change school for Year 7 you must apply. List the schools you want more than Ark Academy/Preston Manor School in the order you prefer them. The first preference is the school you want the most.
 - If you list your current school as a preference, that preference will be withdrawn and only your other preferences will be considered. If a preference school cannot be offered, an alternative school will not be offered, as your child already has a place for Year 7.

Supplementary Information Forms (SIFs)

- Some schools require an additional or Supplementary Information Form (SIF) to be completed in addition to the normal application.

- Use the information on pages 17 to 32 find out which Brent schools require a SIF.
- Completed SIFs must be submitted directly to the school by the closing date, 31 October 2023.
- SIFs can be obtained directly from school or downloaded from the school or Brent Council's website.
- Failure to complete a SIF may result in your application to that particular school being given a lower priority.

Twins and multiple births

- Parents with multiple birth children must complete a separate application form for each child.
- Most schools have admission arrangements that ensure multiple birth children will be offered places together, even if this means the school will admit more than their published admission number.
- The full admission arrangements for each school are available on the school or Brent Council's website.

Children educated outside their normal age group

- In some cases a child may currently be educated a year group below or above their chronological year group.
- If this applies to your child you should submit a letter with your application from your child's current head teacher explaining why they are being educated outside their chronological age group.
- Each secondary school you list will receive a copy of the letter and the head teacher or chair of governors will decide whether your child can be admitted outside their chronological age group.
- Email school.admissions@brent.gov.uk for further information.
- Delayed entry applications for Brent schools can be made when your child reaches Year 6 (the academic year in which they turn 12 years old), however some local authorities and schools outside Brent may request that initial applications are made in the academic year in which your child turns 11 years old. You should carefully review the information provided by other local authorities if you are considering applying for a school outside Brent.
- If you are applying for a child outside their normal cohort, you will need to contact the Brent Admissions Team to ask us to set up your e-Admissions account so that you can make an application outside the normal date of birth range. Contact us on 020 8937 3110 or at school.admissions@brent.gov.uk

Late applications

- Applications received after 31 October 2023 will be considered as late.
- If there are exceptional circumstances why your application was received after the deadline, please provide independent written evidence by 9 December 2023 (from someone who is impartial) explaining why the application was late.
- The evidence you provide will be considered by Brent school admissions who will decide if your application will be processed as late or on time.
- Late applications will only be considered after all the other applications that were received on time have been offered a place. For this reason late applicants are very unlikely to be offered one of their preferred schools.

Changing preferences

- If you wish to change your preferences before the closing date (31 October 2023) you should login to the online application system, edit and resubmit your application.
- If you wish to change your preferences after 31 October 2023 use the online form at www.brent.gov.uk/changeapplicationdetails Changes of preference cannot be accepted over the telephone.
- Regardless of the circumstances, changes requested after the closing date can only be included for the second and subsequent rounds of offers after national offer day, 1 March 2024 (see page 14).

In-Year Admissions

An in-year application is any application for a school place made outside the normal admissions rounds (reception and year 7 and, where applicable, year 3 and year 10).

The normal admissions rounds are for entry into school in September; whereas, the in-year applications are for parents who either wish for their child to change schools, or who have moved to the area and need their child to start a new school during the academic year.

Parents wishing to apply for an in-year transfer to a Brent school can apply by completing the in-year application form available at www.brent.gov.uk/admissions, which also has full details about the application process. Some schools accept their own applications directly and information about where to submit your application is provided in the guidance notes available online or on request.

Brent residents wishing to apply for an in-year transfer to a school that is not in the borough need to apply to the relevant local authority or school directly. We would suggest that parents contact the local authority first to find out about the individual admission arrangements in their area.

Where a school is full, its published admission criteria will be used to decide the order in which applicants will be added to the waiting list (if applicable). Where a school has vacancies, a place will be offered for the child.

In-year fair access protocol

The School Admissions Code requires that all local authorities must have an in-year fair access (IYFA) protocol. This is to ensure that children without a school place – especially the most vulnerable – are offered a place at a suitable school as quickly as possible. The operation of the Brent IYFA protocol is triggered when a parent of an eligible child has not secured a place under in-year admission arrangements.

Children of UK Service Personnel

For families of UK service personnel with a confirmed posting to the area (or crown servants returning from overseas) admissions can be allocated in advance of arriving in Brent.

This is to ensure that children of UK service personnel are not disadvantaged when applying for schools as a result of their mobility. These rules were introduced as a contribution to the Government's commitment to the Military Covenant; however, they do not give automatic priority to service children over other children.

If you are moving to the borough of Brent as a result of a posting, please complete a common application form by the closing date, using your posting address. The application must be accompanied by an official letter that declares a relocation date, a unit postal address or quartering area address.

Your application will be processed using your posting address and in accordance with each individual school's criteria.

Sixth form admissions (Year 12-13)

Each secondary school in Brent has a sixth form provision for children in Years 12 and 13. Admissions to the sixth form are not co-ordinated by the local authority. If you have a child eligible to apply for post-16 education or you would like information about open evenings and admissions procedures, please contact each school directly. Contact details for secondary schools can be found on pages 17 to 32.

14-19 applications

Children currently in Year 9 can apply to attend Studio Schools and University Technical Colleges which offer education for children aged 14-19 years old. Further information about the establishments within a reasonable travelling distance from Brent can be found on page 33.

Section 2 – Offers

How we process your application

Brent school admissions work closely with schools and other local authorities so that every child is offered a place at the highest preference school for which they qualify. The process involves the following stages:

1. Exchange information

Applications are processed and addresses checked, and applicant's details are sent to schools. The schools do not know the order of your preferences.

Additional information

Supporting documentation for your application should be sent to the schools directly as well as to the Brent school admissions team via the online application system. Some schools require applicants to return a SIF (Supplementary Information Form) directly to the school. Check your preferred schools, pages 17 to 32.

2. Rank applications

Schools rank applications according to their published oversubscription criteria to determine which children have priority for places. Brent schools decide whether your child qualifies for a place, not the council.

Which criteria relate to your child?

Check the oversubscription criteria for your preferred schools, pages 17 to 32.

3. Offer places

Every school has a maximum number of children that can be admitted. The ranked lists for each school are used to determine the highest preference each child can be offered. Where an applicant qualifies for more than one school, the order of preferences determines which school is offered.

What if the offer isn't any of my preferred schools?

The council will offer every Brent child a place. When applicants do not qualify for a place at any of their preferred schools, a place is offered at the nearest school to your home with an available place.

Offers

- National offer day is Wednesday 1 March 2024.
- Offer emails are sent in the evening of 1 March 2024.
- The online application system is updated with offers and applicants can respond from the evening of 1 March 2024.
- Offer letters are only posted to applicants who were unable to use the online system. Letters are posted on national offer day. If you have not received notification of your offer by Friday 3 March 2024, contact Brent school admissions.

Responding to offers (accepting/rejecting)

- Please respond to your offer by 15 March 2024.
- Online applicants must respond to the offer online by logging into the online application system (www.eadmissions.org.uk) using their email address or username and their password.
- We strongly advise applicants to accept the place offered. Accepting the offer secures the school for your child, so you have a back-up, in case you're unsuccessful in seeking a higher preference in the second or third rounds or if you appeal, and your appeal is not upheld.
- Accepting the place does not affect your waiting list position or right to appeals.
- If you do not accept the offer, the place may be offered to another applicant, and subsequent offers may be further away from your home.

Further Offers

- After national offer day Brent school admissions continue to process applications and make offers on behalf of schools until the end of August. Schools do not offer places directly.
- Two additional rounds of offers will be sent out according to the timetable below.
- Offer notifications will only be sent in the second or third rounds to late applicants who have not already received an offer and other applicants where we are able to offer a higher preference.

| Late application timetable | Second Round | Third Round |
|---------------------------------------------------------------------------------------------------------|------------------------------|----------------------------|
| Deadline Last date for changes to be included in the round (e.g. changed address/preferences) | 15 March 2024 | 2024 May 2024 |
| Offer Offers will be sent by first class post to successful applicants only | Week ending 29 March 2024 | Week ending 24 May 2024 |
| Response Successful applicants must respond by this date | 05 April 2024 | 31 May 2024 |

Waiting lists

- If we cannot offer your first preference on national offer day, then your child will be automatically added to the waiting list for each school you ranked as a higher preference than the school offered.
- Any vacancies available in the second and third round will be offered to applicants on the waiting list.
- Priority on the waiting list is determined by the oversubscription criteria for each school. There is no guarantee that a place will be offered for your child off the waiting list.
- When an applicant on a waiting list is offered a place any previous offer will be automatically withdrawn. You will not be given a choice between your current offer and the new offer. If you are happy with your current offer then you must advise Brent school admissions to remove your child from waiting lists.
- Your child's position on the waiting list can go up as well as down when applicants are offered a place or join the list.
- Waiting lists are not operated on a first come, first served basis. The length of time your child is on the waiting list will not give them priority over other applicants.
- **Please note:** Waiting lists for Brent schools will be maintained until at least the end of December 2024. Some schools may have different arrangements for maintaining waiting lists after this period. To ensure that your child remains on the waiting list and in consideration after the end of the year you must make a separate 2024/25 In-Year application online. In-Year applications for 2024/25 will open on Monday 1 July 2024, visit www.brent.gov.uk/inyearadmissions. The local authority will not contact you again to remind you to re-apply.

Appeals

- If your child is not offered a place at one of the schools you listed on your form, you can appeal against this decision to an independent appeal panel.
- Appeals are heard by an independent appeal panel of three members of the public who are independent of the school and the local authority.
- Brent secondary schools manage their appeals directly, Brent Council is not involved.
- You must approach each school directly if you wish to appeal for a place.
- Your offer letter will give information about how to appeal.
- The deadline for submitting an appeal is set by each school and must be at least 20 school days after National Offer Day.
- Appeals must be heard within 40 school days of the deadline for lodging appeals.

The information above is a summary of the admissions criteria for this school. For the full criteria and admission arrangements please check the school's website or go to www.brent.gov.uk/admissionarrangements. 5. Priority will next be given to children attending one of our **partnership primary schools**:

7. Priority will be given to children on the basis of distance, which will be measured in a straight line from the front door of the child's home address (including flats) to the main entrance of the school, using the local authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Tie Breaker

In the case of two or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gates on Doyle Gardens. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between two children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

Oversubscription Criteria:

1. Highest priority will be given to Looked After Children and all previously Looked After Children who apply for a place at the school .
2. Priority will next be given to children on the basis of aptitude in the specialisms of sport (performance and/or leadership) and Visual and Performing Arts using specified tests.
3. Priority will next be given to children on the basis of social or medical need. The school defines social and medical need as children for whom it can be demonstrated that they have a particular medical or social need to go to the school. The school requires as supporting evidence if you are making an application on the basis of social or medical need.

The information above is a summary of the admissions criteria for this school. For the full criteria and admission arrangements please check the school's website or go to www.brent.gov.uk/admissionarrangements. The criteria will apply after children with an Education, Health and Care plan which names the school have been admitted. All schools operate a tie breaker in the event that two or more children have equal priority under the criteria.

3. Priority will next be given to children for whom there is evidence it is essential to be admitted to Kingsbury High School because of significant medical needs requiring a level of education best met by admission to this School. Applications should be supported in writing with a recommendation from a recognised professional of senior status. This criterion relates to the child's medical needs and does not include another member of the child's family. The supporting evidence should set out the particular reasons why Kingsbury High School is the most suitable school for the child and the difficulties that would be caused if he/she had to attend another school.

Where a child lives with parents with shared responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then the parents will be asked to determine which is the residential address for the purpose of admission to the School. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Studio School or University Technical College (UTC) for September 2024

UTCs are set up by universities and businesses and specialise in one or two technical subjects. In years 10 and 11 they offer a similar GCSE curriculum to a typical secondary school, including English and Maths, as well as their specialist subject. You can find out more at www.utcolleges.org.

Studio Schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing skills needed for employees, involving personal coaching and work experience. They have a similar curriculum to a typical secondary school.

A list of schools in the London and Hertfordshire area which admit pupils into Year 10, together with contact details, are listed below.

There are no UTCs or Studio Schools in Brent. If you have any questions please contact the UTC or Studio School you are interested in directly using the details provided. The full application process is set out on the website for each school.

Where a UTC or Studio School requires an application to be made via the local authority, these can be made in the same way, and use the same deadlines as for Year 7 applications, on the eadmissions.org.uk website.

Applicants with special educational needs and disabilities (SEND)

Brent Council's policy is that children with SEND or Education, Health and Care plans (EHCP) should attend their local secondary school wherever possible. A small number of children who have an EHCP and the most complex needs attend a special school or have special provision attached to a mainstream school. The Special Educational Needs Assessment Service (SENAS) will discuss this with parents of children with EHCPs and provide information regarding the most appropriate placements for individual children.

Transfer arrangements for children with an EHCP

The main admission criteria and application processes do not apply to children who have an EHCP. The council will apply for places on behalf of all such children. An annual review of the EHCP will be held before the end of the summer term in Year 5. Discussion will take place at the review between parents, school staff and other professionals about appropriate arrangements for secondary transfer. Parents should note there is no automatic right for any pupil to receive assistance with transport, and should consider carefully how their child would get to school if they do not express a preference for a local school. For further information please contact Brent Council's Special Educational Needs Assessment Service (SENAS).

Tel: **020 8937 3229**

Email: sen.assessments@brent.gov.uk

If you have made a request for your child to receive an Education, Health and Care assessment, but they do not yet have a final EHC Plan you should still apply via the main admissions process.

The SEN Team will only make applications for children who have a finalised EHC Plan.

Admission arrangements for children without an EHCP

Children who have SEND but do not have an EHCP will transfer to secondary school through the coordinated admission procedures. The Code of Practice on School Admissions states: 'Children with SEND but without an Education, Health and Care plan must be treated as fairly as other applicants. Admission authorities may not refuse to admit a pupil because they consider themselves unable to cater for his or her SEND'. Admission authorities must consider applications from children who have SEND but no EHCP, on the basis of the school's published admissions criteria. All mainstream schools receive funding to provide extra help for children with SEND.

Admission arrangements for children who are undergoing statutory assessment

It is vital that you apply for a place in the usual way through completing the normal Common Application Form (CAF).

Children with SEND, with or without EHC Plans, are entitled to the services of Brent SEND Information Advice and Support Services. For further information you can contact the Brent SEND Information Advice and Support Services on 020 8937 3434.

Home to school travel

In London, travel is free on buses for children up to 18 years of age. Where it is possible for a child to travel to school free of charge the council would expect that option to be taken. However, where a journey is considered too long (more than 75 minutes by bus) or too complicated (more than two changes) to be undertaken by bus, the council will provide assistance with tube or train fares for low income families in the circumstances as follows:

- For children of primary age, transport will only be provided to the nearest suitable school, but for those from low income families aged 8-11, local authorities must ensure that free transport is provided for children living more than two miles from the school.
- For children of secondary age, local authorities must ensure that those from low income families have free transport to any one of the three nearest suitable schools where the distance travelled is between two and six miles. Local authorities must also ensure that transport is provided to the nearest school preferred on the grounds of religion or belief where this is between two and 15 miles away.

Low income families are those whose children are entitled to free school meals or who are in receipt of their maximum level of Working Tax Credit. The council will consider all applications submitted. Application forms are available from Brent Customer Services, Brent Civic Centre, Engineers Way, Wembley HA9 0FJ or by telephone **020 8937 3110**.

If a claim for travel expenses is agreed, Brent Council may make payment in full or in part of reasonable travelling expenses, and may provide other travel arrangements if required, for example escorts.

Free school meals

If your child attends a Brent school and you are in receipt of one of the following benefits, you are eligible to apply for free school meals for your children:

- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on – paid for four weeks after you stop qualifying for Working Tax Credit

Children who receive a qualifying benefit in their own right are also allowed to receive free school meals. When you apply you must provide your national insurance (NI) or National Asylum Support Service (NASS) number and date of birth in order for us to check your eligibility with the Department of Education, Eligibility Check Service (DfE ECS).

Private fostering

- If a child or young person under the age of 16 (or 18 if they have a disability) is living for more than 28 days with someone other than a close family member*, this is known as a private fostering arrangement. (*A close family member is a grandparent, aunt or uncle, sibling or step-parent either by blood or marriage).
- There is a duty on parents and carers entering into private fostering arrangements to notify the council. This is in order to safeguard and protect the child's welfare as well as ensuring that the child, carer and parent are receiving appropriate support and help.
- If you know or are not sure if that a child is being cared for in a private fostering arrangement, please call the Brent Fostering team on **020 8937 4538** or visit www.brent.gov.uk/privatefostering to make a referral.
