1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons (Swimwear must conform to the swimming pool's health and safety rules)
- Allow pupils to wear headscarves and other religious or cultural symbols (unless cultural symbols are a health and safety risk)
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with The Headteacher, Mrs Taylor-Kent who can answer questions about the policy and respond to any requests.
- Not list uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- o Is available at a reasonable cost
- o Provides the best value for money for parents/carers

We will do this by:

- o Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- o Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- o Not including different uniform requirements for different year/class/house groups
- o Not including different uniform requirements for extra-curricular activities
- o Making sure that arrangements are in place for parents to acquire second-hand uniform items
- o Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- o Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
