

The Wembley Schools Federation

Executive Head Teacher: Rob Fenton

Chair of Governors: Dharmic Meggi

School Governor Vacancies

Make a difference to the lives of children and families in our community

Are you passionate about education and committed to helping children thrive?

Our school federation is looking for enthusiastic and committed individuals to join our Governing Board as **School Governors**.

We are a federation of **two large, successful primary schools**, serving diverse and vibrant communities. Our governors play a vital role in providing strategic leadership, supporting school improvement and ensuring that every child has the opportunity to achieve their potential.

Why become a governor?

Being a school governor is a rewarding opportunity to use your skills, experience and perspective to make a meaningful difference. You don't need to be an education professional or have previous governance experience. What matters most is your commitment to children, your willingness to learn, and your ability to work constructively as part of a team.

As a governor, you will help us to:

- Set the strategic direction of the federation and hold school leaders to account.
- Support high standards of teaching, learning and pupil achievement.
- Ensure that the schools provide an inclusive, safe and nurturing environment.
- Monitor how resources are used to achieve the best outcomes for pupils.
- Listen to the views and experiences of our school communities.
- Help shape the future development of both schools.

Who are we looking for?

We welcome applications from people with a broad range of backgrounds, skills and life experiences. We are particularly interested in individuals who can bring skills or experience in areas such as:

Education • HR • Safeguarding • SEND • Legal • Business • Community engagement • Estates • Communications

You don't need to have expertise in all these areas. We are keen to build a diverse and effective governing board whose members bring different perspectives and experiences.

What commitment is involved?

Governors attend governing board meetings during the school year (4 meetings a year) and may serve on committees or take on specific responsibilities. Governors are also encouraged to visit the schools and develop an understanding of the pupils, staff and communities we serve.

Full induction and ongoing training will be provided, so **previous experience of school governance is not required**.

Join us

If you would like to use your skills and experience to help shape the future of two large primary schools and make a lasting contribution to the children and families in our community, we would love to hear from you.

For an informal conversation about the role, or for application form please contact **the Executive Head Teacher, Mr Robert Fenton** eht@wembleyprimary.brent.sch.uk. Or go to the website for each school:
