

## Dear Parents,

Thank you to all the parents that have become active members of our school's parent forum. We have made lots of great and positive changes based on your views.

We now also have class representatives. These are parents who are active members of the parent forum. The role of the class representative is to help other parents who are unable to be part of the parent forum but would still like to help make positive contributions to the school.

The class representatives will be available at the beginning and at the end of the school day for parents who wish to discuss items from any of the parent forum agendas or minutes (these are available on our school site).

Alternatively you can also leave suggestions in the comments boxes located in the main school reception, RW, 1W, 2W and 3W classes.

If there are currently no representatives for your child's class or you would like to become a class representative please speak to a representative from the year group or see Mrs Pindoria.

Please remember that you can still talk to your child's class teacher about your child.
